

cNew™

BioSpan

Powerful Cleaning for Concrete, Safe for the Environment

C-New Concrete Cleaner & Degreaser is a biobased, non-toxic, and biodegradable solution designed to remove oil, grease, and grime from concrete surfaces with ease. With a pleasant citrus scent, C-New lifts contaminants from surfaces without harsh chemicals. Whether for industrial, commercial, or residential use, this spray-applied formula makes concrete cleaning simple, effective, and environmentally responsible.

Typical Uses Suitable for oily, grimy, or dirty concrete surfaces

Packaging Available in 1-gallon jugs, 5-gallon pails and 55-gallon drums

Key Features

Biobased & Biodegradable

C-New is safe for users and the environment.

Easy Spray Application

Just spray on and rinse off.

Water-Rinseable Formula

Cleans thoroughly without leaving residues

How to Use C-New

Spray-apply C-New to dirty, oily, or grimy concrete surfaces. Wait 5-10 minutes to allow degreasing and breakdown of materials. May be rinsed free with ordinary tap water and should not leave unwanted residue.

Benefits

Effortless Concrete Cleaning

Quickly breaks down oil, grease, and stubborn dirt.

Safe & Non-Toxic

No hazardous chemicals, making it ideal for use in sensitive areas.

Versatile & Effective

Works on driveways, sidewalks, parking areas, and industrial floors with ease.
