

## C-New Concrete Cleaner and Degreaser

Revised 2/2025

### PRODUCT DESCRIPTION

C-New Concrete Cleaner & Degreaser is a biobased, non-toxic, and biodegradable solution designed to remove oil, grease, and grime from concrete surfaces

### RECOMMENDED USES

- Suitable for cleaning concrete surfaces.
- Used on any concrete surface to clean or degrease dirt, grime, or residue

### PRODUCT SPECIFICATIONS

<b>Appearance</b>	Amber with light purple, slightly hazy, mild sweet odor
<b>pH</b>	10.0-10.5
<b>Specific Gravity</b>	0.9550
<b>Flash Point</b>	212 F Tag Closed Cup
<b>Shelf Life</b>	5 years in sealed manufacturer's container

### APPLICATION

- Apply C-New as is. No dilution necessary.
- May be applied using a hand-sprayer. May also be applied using a brush or roller.
- Allow the application to sit undisturbed for 5-10 minutes
- After 5-10 minutes, rinse free with water.
- May also apply light scrubbing on more resistant grime, dirt, or stains.
- Reapply as needed.

### CAUTION/LIMITATIONS

- Do not dilute C-New.
- Do not over-apply to cause pooling, splashing, or wasted material

### SURFACE PREPARATION

There is no special surface preparation required. C-New should be a two-step application, sprayed directly to the concrete surface and rinsed or wiped clean. May wipe or brush clear loose or excess material before applying C-New, as desired.

### SAFETY/HANDLING

- Personal Protective Equipment (PPE) such as goggles, gloves and impervious clothing are recommended.
- First Aid: Refer to the Safety Data Sheet for first aid measures. Avoid inhalation and ingestion. If exposed to skin, wash with soap and water. If exposed to eyes, flush eyes immediately.

### STORAGE

Store in the manufacturer's sealed container. Store in a dry, temperature-controlled environment that is well-ventilated. Do not store outside. Do not expose to high heat or freezing temperatures. To use stored product, mix for at least 30 minutes at ambient indoor temperature before application.

### DISPOSAL/CLEANING

- Reactivity with water: none
- Disposal methods: Dispose of this material by incineration or by a licensed waste disposal company. Contaminated absorbent material may be disposed of in an approved landfill. Follow all local, state and Federal disposal regulations.
- Avoid contact with strong acids, strong bases and oxidizing agents. Avoid heat or an open flame.
- In Case of Spill: Floors may become slippery. Use protective equipment. Contain liquid spills using a barrier or absorb using inert material. Scoop or shovel absorbed material into containers. Wash area with soap and water.
